

CV:

Dr. Ioan Bulescu is a Specialist in ENT and Head and Neck Surgery, certified as a Sleep Specialist. He graduated from the University for Medicine and Pharmacy “Carol Davila” in Bucharest, where he is now teaching as an Assistant Lecturer in the Human Anatomy Chair. He received his PhD in Medical Sciences in 2015, by the same University. He followed the residency program in ENT and Head and Neck Surgery at the National Institute for ENT “Prof. Dr.D.Hociota” in Bucharest, and then he specialized in Sleep medicine and Sleep Surgery following courses in Europe and the US. He is currently the only Romanian member of the International Surgical Sleep Society (ISSS), and also a member of the American Academy of Sleep Medicine (AASM) and of the European Sleep Research Society (ESRS). His current practice is based mostly on the diagnosis and treatment of Sleep-disordered breathing, as well as rhinology and sinus surgery. Dr. Bulescu is a one of the first sleep surgeons in Romania, and probably the first one that performed Drug-induced Sleep Endoscopies in Romania. He is committed to participate in the evolution of sleep medicine in all of its aspects in Romania.
